

WCDT 2022 Program Grid - Challenges, opportunities and new horizons in dental trauma

WEDNESDAY 11 TH MAY 2022				
09:00 - 12:00	Pre-congress Courses			
12:30 - 17:30	Pre-congress Courses			
14:00 - 17:00	Pre-congress Courses			
09:00 - 14:00	Trade Exhibition			
14:00 - 20:00	Registration			
15:00 - 19:00	Poster Set-up			
17:30 - 18:30	Opening Ceremony			
18:30 - 20:00	Welcome Reception			
THURSDAY 12 TH MAY 2022				
08:00 - 18:00	Registration			
09:00 - 19:00	Trade Exhibition and Poster Exhibition			
09:00 - 10:15	Plenary 1			
09:00 - 09:15	Joint Introduction (ADT/ESE/SPE)			
09:15 - 10:15	Best practices in the management of avulsed permanent teeth in growing children (Marie Therese Flores)			
10:15 - 10:45	Coffee break			
10:45 - 13:00	Plenary 2			
10:45 - 11:45	Challenges and opportunities in management of the traumatically exposed pulp using hydraulic calcium silicates (Hal Duncan)			
11:45-13:00	Opportunities and new horizons in revitalization procedures on traumatized teeth (Kerstin Galler)			
13:00 - 14:30	Lunch and Commercial Exhibits			
14:30 - 15:15	Concurrent 1A	Concurrent 1B	Concurrent 1C	Concurrent 1D
	Challenges and new opportunities for diagnosing and managing pink, yellow or grey post-traumatic discolorations (Cecilia Bourguignon)	Jens Andreasen and me - clinical lessons learned from the master	Managing complex traumatic injuries - a multidisciplinary approach (António Ginja)	Selected Oral Research presentations
15:15 - 16:00	Concurrent 2A	Concurrent 2B	Concurrent 2C	Concurrent 2D
	New Horizons in managing intrusions and avulsions in the young permanent dentition (Georgios Tsilingaridis)	Jens Andreasen and me - clinical lessons learned from the master	Challenges and opportunities to regenerate the dental pulp (João Miguel Santos)	Selected Oral Research presentations
16:00 - 16:30	Coffee break			
	Plenary 3 - <i>The inaugural Jens O Andreasen Memorial Lecture</i>			
16:30-17:30	Honouring and learning from the past; an essential strategy for ensuring a meaningful future for dental traumatology (Lamar Hicks)			
FRIDAY 13 TH MAY 2022				
08:00 - 17:30	Registration			
09:00 - 17:00	Trade Exhibition and Poster Exhibition			
08:30 - 10:30	Plenary 4			
08:30 - 09:30	Challenges and new horizons in assessing pulpal status in traumatized teeth (Roeland de Moor)			
09:30 - 10:30	New hope for hopeless teeth: management of subgingival fractures (Gabriel Krastl)			
10:30 - 11:00	Coffee break			
11:00 - 13:00	Plenary 5			
11:00 - 12:00	Teeth or implants? Challenges and Opportunities (Liran Levin)			
12:00 - 13:00	Challenges, opportunities and new horizons in Autotransplantation (Mitsuhiro Tsukiboshi)			
13:00 - 14:30	Lunch (Lunch and Learn Sessions)			
14:30 - 15:15	Concurrent 3A	Concurrent 3B	Concurrent 3C	Concurrent 3D
	Selected Oral Research presentations	Jens Andreasen and me - clinical lessons learned from the master	New Opportunities to manage calcified teeth with periapical disease: 1. Guided Endodontics - in vitro data (Thomas Connert) 2. Guided endodontics in vitro. Possibilities, limitations and failures (Jorgen Buchgreitz)	Educational Forum
15:15 - 16:00	Concurrent 4A	Concurrent 4B	Concurrent 4C	Concurrent 4D
	Selected Oral Research presentations	Jens Andreasen and me - clinical lessons learned from the master	The calcium hydroxide conundrum in the treatment of traumatized teeth (Bill Kahler)	Educational Forum
16:00 - 16:30	Coffee break			
	Plenary 6			
16:30 - 17:30	Towards a better understanding of external cervical root resorption. From pathogenesis to diagnosis and treatment (Athina Mavidou)			
19:00 - 23:00	Conference Gala Dinner			
SATURDAY 14 TH MAY 2022				
08:00 - 17:00	Registration			
09:00 - 13:00	Trade Exhibition and Poster Exhibition			
08:30 - 10:30	Plenary 7			
08:30 - 09:30	New horizons in managing injuries to the primary dentition (Anne O'Connell)			
09:30 - 10:30	How to understand and manage the complication of ankylosis after replantation of teeth (Lars Andersson)			
10:30 - 11:00	Coffee break			
11:00 - 12:00	Plenary 8			
11:00 - 12:00	Managing the Endodontic sequelae of traumatised teeth (Asgeir Sigurdsson)			
12:00 - 12:30	Imaging in Dental Trauma - The myth of low-dose radiation risks and no-dose new perspectives (Marc Semper)			
12:30 - 13:00	Closing Ceremony and Awards
